

## CS 80 91 U LK

### Specificatii

|   |                  |
|---|------------------|
| Cod ETI   | 004773066        |
| Descriere                                       | CS 80 91 U LK    |
| Denumire clasă                                  | Comutator camera |
| Număr de poli                                   | 2                |
| Montare   | Panou            |
| Tensiunea maxima de operare (V AC)              | 480              |
| Tensiune nominala de izolare (V)                | 690              |
| Curent termic Ith (A)                           | 80               |
| Curent nominal operational la AC-21 at 400V (A) | 80               |

## ETIM clasificare internationala

|   |                  |
|---|------------------|
| Clasificare                                   | EC001105         |
| Denumire clasă                                | Off-load switch  |
| Model   | On/Off switch    |
| Number of poles                               | 2                |
| With zero (off) position                      | 1                |
| Rated permanent current I <sub>u</sub>        | 80A              |
| Rated operation power at AC-3, 400 V          | 32kW             |
| Suitable for front mounting                   | 1                |
| Suitable for distribution board installation  | 1                |
| Type of control element                       | Turn button      |
| Type of electrical connection of main circuit | Screw connection |
